EDUCATION

- National Institute of Technology, Warangal** 2021-Present
B.Tech in Metallurgical and Materials Engineering **CGPA: 8.00**
- Bhashyam Junior College** 2019-2021
Board of Intermediate Education, Andhra Pradesh **Percentage: 94.3%**
- Bhashyam Public School** 2014-2019
Board of Secondary Education, Andhra Pradesh **CGPA: 10**

PERSONAL PROJECT

Corrosion Studies on 316L Austenitic Stainless Steel Hyderabad
Metallography and Electrochemical Testing on Additive Manufactured 316L Stainless Steel

- Conducted metallography operations on additive manufactured 316L stainless steel samples.
- Performed Open Circuit Potential (OCP) and Electrochemical Impedance Spectroscopy (EIS) in a corrosive environment (boiling nitric acid) to study corrosion resistance.
- Obtained Tafel plots providing insights into the corrosion behavior of the material.

EXPERIENCE

Vesuvius India Limited Kolkata
Group Leader Jun'25-present

- Involved in Production planning for Slide Gate and Purge Plug Plant.
- Monitored approx. 38 contractual workers and achieved targets accordingly.
- Participated in many trainings like Turbo S safety, quality and 8D PPS.
- Worked in cross functional teams like Mnt, Sales, Purchase for raw materials, etc...

BHEL - Bharat Heavy Electricals Limited Hyderabad
Calculation of Sacrificial Anode Weights for Preventing Galvanic Corrosion May'24 - July'24

- Developed sacrificial anodes using Aluminum and Zinc alloys to protect Duplex SS 2205 grade from galvanic corrosion.
- Optimized alloy selection and performance based on lab testing, improving corrosion protection efficiency for industrial applications.

Defence Metallurgical Research Laboratory (DMRL) Hyderabad
Summer Orientation Intern June'23 - July'23

- Conducted linear elastic fracture (K_{Ic}) testing on various metals.
- Utilized Neper software for grain size and morphology analysis of Ti-6Al-4V alloy.
- Gained hands-on experience in the Armor Technology Centre, including hand layup techniques.

TECHNICAL SKILLS and INTERESTS

- Technical Skills:** NX (Basics), Neper, Thermo Calc, Origin Pro
- Soft Skills:** Time Management, Adaptability, Focus, Team Leadership, Team Management
- Course Work:** Physical Metallurgy, Introduction to Materials Science Corrosion Engineering, Heat

ACHIEVEMENTS

- Received Institute Merit Certificate for highest CGPA in 1st year (2021-2022)
- Secured 1087 rank in AP EAPCET exam among 1,66,460 students (2021)
- Awarded Best Student for highest CGPA in school (2019)
