ABOUT ME

Distinguished as a Global Enterprise Solution Architect and an AI-first Solution Deal and Pursuit Strategist, I bring over 22 years of rich experience in technology, including more than 15 years dedicated to Technology and Solutions Architecture. My journey encompasses shaping Digital Technology Architecture, spearheading Global Enterprise PreSales Solutioning, and providing visionary leadership to Healthcare & Life Sciences practices, along with architecting multi-million-dollar digital transformation initiatives. I have consistently demonstrated expertise in orchestrating intricate multi-cloud AI-agents and agentic-AI engagements. My credentials include an Exec-MBA from IIM Ahmedabad and advanced professional and expert certifications spanning AWS, Azure, GCP, and AI/ML and Security Specialties. Trusted for my ability to vision innovation, architect scalable solutions, and deliver transformative business results, I am committed to empowering progressive organisations to realise their strategic ambitions.

Currently exploring growth-oriented Head roles such as SD, MD, VP, GCC Lead, or equivalent strategic leadership opportunities.

THOUGHT LEADERSHIP STRATEGIST

Renowned thought leader with decades of experience, consistently shaping AI and business strategy through acclaimed articles in "Bizz Buzz" and conducting strategic deal reviews across Accenture, IBM, and Cognizant journey as Enterprise Architect. Published pioneering whitepapers and technical cadence on hybrid-cloud, microservices, and integration patterns on IBM GitHub, setting industry benchmarks. Drove global adoption of digital microservices and API methodologies, delivering impactful training to Deutsche Bank and establishing best practices at Accenture.

WORK EXPERIENCE

PRINCIPAL ARCHITECT - TECHNOLOGY | PRACTICING DIRECTOR & GLOBAL ENTERPRISE SOLUTION ARCHITECT
COGNIZANT TECHNOLOGY SOLUTIONS | Bangalore | Jul 2021 - Present

GLOBAL PRE-SALES SOLUTION ARCHITECTURE, Digital software & platform engineering solutioning practice:

- I currently spearhead AI-ROI driven pre-sales initiatives for the Practice-led NA's Healthcare & Life Sciences sector (EHR - EMR|EMD, Medical Device, Research, Diagnostic, Patient Monitoring, E-priscribing, Benefit Management, Claims, Appointment, Billing etc.) since 2023.
- Supporting NA's BFSI and Retail sector (Core Banking, Retail Banking, Asset Management, Client Data Management, Loan Syndication, Loan Franchise, Payments, Prepaid Cards, Card Integrators, B2B, B2C, O2C, Channel Partner Integrators, Insurance Integrators).
- Deftly managing both proactive and reactive RFP/RFI proposals, technical offerings to crafting customer-specific solutioning, outcome-based estimations, revenue & ROI strategies, and stakeholder presentations.
- I have been instrumental in the triumphant submission of over 200 pursuits across business domains including **over 100 deals in Healthcare & Life Sciences and Banking & Insurance**, encompassing Greenfield solutions and modernization migrations, securing numerous high-value contracts (par/at-par of **3-digits | Big 2-digits M\$ deal sizes**) with a success rate surpassing two-thirds.
- My deals submission expertise extends in Supply Chain, CMT and Retail sectors, where I focus on digital cloud transformation journeys and maturity assessments in bid and RFP solutions.
- I actively engage in multi-vendor competitions, multi-year and multi-tower deals, overseeing processes from strategic planning up till SOW creation.

ENTERPRISE ARCHITECTURE ARB: Ornamented with a proven track record across marquee clients like Macy's, Direct TV, Abbvie, SLMA, Mastercard, etc., I am a strategic ARB expert adept at steering delivery design, discovery, and robust cross-functional solutions. Renowned for empowering multi-pod teams, optimising architecture, and ushering in digital transformation through cloud-native innovations, my leadership ensures streamlined, cost-effective outcomes in highly regulated and complex domains.
