EXECUTIVE VALUE PROPOSITION

Strategic Business Head and P&L Leader with 17+ years of expertise in driving high-margin growth and operational transformation across **Industrial Equipment, Rail, and Infrastructure** sectors. Distinguished track record in **monetizing complex engineering platforms**, scaling greenfield business units to ₹280+ Cr **in revenue**, and capturing ₹300+ Cr **in new market opportunities** through Industry 4.0, technology transfers, and joint ventures. Expert at navigating high-barrier regulatory landscapes to secure long-term commercial dominance. A value-focused leader driving the translation of technical innovation into **sustainable EBITDA expansion** and enterprise value.

CORE COMPETENCIES

Strategic Governance	Operational Excellence	Growth & Innovation
P&L & EBITDA Management	Industry 4.0 & Digitalization	GTM & Market Entry
Board-Level Stakeholder Relations	Global Supply Chain Optimization	Technology Transfer (ToT)
Joint Venture & Alliance Mgt	Lean Six Sigma (Master Black Belt)	Product Commercialization
Regulatory & Tender Strategy	CAPEX & Greenfield Execution	IP & Advanced R&D Oversight

PROFESSIONAL EXPERIENCE

AVP – Technology & Business Development

Avadh Rail Infra Limited | Noida, India | 09/2022–Present

- Strategic Commercialization:** Established a high-impact product platform within a ₹600+ Cr market, translating complex customer needs into revenue-generating assets.
- Market Expansion:** Unlocked a ₹300+ Cr in new market potential by driving Industry 4.0 and IoT-led systems to modernize legacy rail and industrial portfolios.
- P&L & EBITDA Growth:** Delivered **20%** top-line revenue growth and **15%** profit improvement through aggressive cost optimization and value-based pricing strategies.
- Operational Excellence:** Delivered **20%** operational efficiency gains via localization, renegotiating vendors and cost redesign.
- Regulatory Governance & Advocacy:** Established national-level regulatory interfaces to streamline high-barrier government approvals, accelerating the tender lifecycle and expanding the qualified sales pipeline by **25%**.
- Joint Venture & Alliance Management:** Architected strategic collaborations with domestic and foreign technical partners to localize cutting-edge technologies, securing a competitive moat in the Indian market.

Assistant General Manager

River Engineering Pvt Ltd | Greater Noida, India | 07/2017–08/2022

- Greenfield Business Leadership:** Built a heavy engineering business unit from scratch to ₹280+ Cr revenue, owning market entry, GTM strategy, operations, and scaling.
- EBITDA Optimization:** Engineered high-margin profit centres by restructuring the local supply chain and vendor base, utilizing aggressive cost negotiations and localization to significantly boost the bottom line.

- **Enterprise Value Creation:** Served as a strategic advisor to the MD, overseeing cross-functional business units to align engineering, supply chain, and BD with long-term corporate valuation goals.
 - **Operational Excellence:** Directly managed a high-performance leadership team of **50+**, fostering a culture of **100%** on-time delivery and **35%** repeat business from Tier-1 clients.
 - **Lean Transformation:** Reduced defects by **30%** and improved overall productivity by **20%** through Lean and Six Sigma implementation.
 - **Global Technology Transfer (ToT):** Led the successful transfer of technology from Europe to India, establishing indigenous manufacturing ecosystems and design facilities that accelerated time-to-market for complex electro-mechanical systems.
-

Manager

Airef Engineers Pvt Ltd | Gurgaon, India | 05/2016–07/2017

- **Defence & Infra Programs:** Executed complex defence and infrastructure equipment programs with 100% on-time commissioning, driving immediate revenue impact.
-

ADDITIONAL PROFESSIONAL EXPERIENCE

Project Lead | Cyient Limited | Pune, India | 08/2015–05/2016

Doctorate Research Scholar (Advanced Material Performance) | IIT Delhi, India | 07/2011–08/2015

Manager | Escorts Limited | Faridabad, India | 03/2011–07/2011

Assistant Manager | Wilo Mather & Platt Pumps Ltd | Pune, India | 09/2008–03/2011

Trainee Design Engineer | In-Finite Solutions | Pune, India | 04/2008–07/2008

EDUCATION

- **PhD in Mechanical Engineering** | IIT Delhi, India (2016)
 - **MBA in Operation Research** | IGNOU, India (2009)
 - **MTech in Mechanical Engineering** | Nagpur University, India (2008)
 - **BE in Mechanical Engineering** | Nagpur University, India (2004)
