

Resume

Name	Manishkumar Jaswantbhai Patel		
Address	Flat : 304, Building : 5A-Iris, Kapataru Serenity, Mahadeo Nagar, Hadapsar, Pune - 412307		
Current Position	AVP Projects HTMS		
Location	Pune	Function / Region	Hadapsar, Head Office

EDUCATION:

School and Location	Major	Dates		Degree
		From	To	
V P Science College, Vallabh Vidyanagar, Gujarat	Sardar Patel University, Vallabh Vidyanagar	Jun 1987	May 1990	B. Sc. Electronics First Class D.
Pramukh Swami Institute of Technology, Department of Electronics, Gujarat	Sardar Patel University Vallabh Vidyanagar	June 1990	May 1992	M Sc. Electronics First Class

PROFESSIONAL SUMMARY

Senior techno-commercial leader with **30+ years of experience** in Industrial Automation, Digital Infrastructure, and Large-Scale Program Delivery across Oil & Gas, Manufacturing, and Smart Infrastructure domains.

Proven expertise in **end-to-end program management (₹10–40 Cr+ projects)**, system integration (OT + IT), and leading cross-functional teams of 150+ members. Strong track record in delivering complex, multi-site projects with high reliability, cost optimization, and operational efficiency.

Now seeking roles in large-scale automation and infrastructure programs like **Industrial Digital Transformation, Smart Manufacturing, Critical Infrastructure Programs or Industrial Technology**

CORE COMPETENCIES

- Program & Portfolio Management
- Industrial Digital Transformation (OT + IT Integration)
- Smart Infrastructure & Automation Systems
- SCADA / PLC / DCS Systems
- Industrial IT Infrastructure & Networking
- Data-driven Operations & Reliability Engineering
- Cost Optimization & Value Engineering
- Stakeholder & Vendor Management
- Contract Negotiation & Commercial Strategy
- Team Leadership (150+ resources)

PROFESSIONAL EXPERIENCE

Arya Omnitalk Wireless Solutions Pvt Ltd | Pune | 2008 – Present as AVP – Projects (HTMS Division)

Key Contributions:

- Directed execution of **100+ large-scale infrastructure and automation projects** across India
- Led **end-to-end program lifecycle**: RFP analysis → solution design → execution → commissioning
- Managed **150+ cross-functional teams** across multiple project sites
- Delivered **1500+ toll lanes & 100+ plazas**, ensuring high uptime and operational efficiency
- Architected integrated solutions combining:
 - SCADA systems
 - Industrial IT infrastructure
 - IoT-based communication networks
- Implemented **value engineering initiatives**, reducing project costs by 15–25%
- Built vendor ecosystem for scalable and cost-effective delivery

Resume

Key Impact:

- Improved project delivery timelines by optimizing planning & execution models
- Enhanced system reliability and reduced operational failures
- Strengthened long-term client relationships with major infrastructure players

Honeywell Automation India Ltd | Pune | 2006 – 2008 as Project Manager – Honeywell Process Automation Systems BU

- Managed automation and control system projects for Oil & Gas sector
- Delivered DCS/PLC-based solutions for refinery and terminal automation
- Owned **project P&L, scheduling, and customer communication**
- Ensured timely billing, cash flow management, and project closure

Saudi Aramco Mobil Refinery (SAMREF) | 2004 – 2006 as Senior Project Engineer – Instrumentation & Electrical

- Led engineering and execution for refinery expansion & reliability projects
- Developed **maintenance and reliability strategies** for critical assets
- Delivered projects up to **USD 10M scope**

Earlier Roles

- Manager Instrumentation – Maradia Chemicals Limited
- Dy. Manager – Bayer ABS Ltd / ABS Industries Limited
- Assistant Engineer – Panchmahal Steel Limited
- Trainee Engineer – Gujarat State Fertilizer Company Limited

KEY ACHIEVEMENTS

- Delivered **Hybrid Electronic Toll Collection (₹43 Cr)** across 38 plazas
- Completed **400+ lanes deployment in 10 months (record timeline)**
- Executed **SCADA upgrade for Reliance Gas Terminal (complex legacy integration)**
- Reduced industrial energy consumption significantly via optimization initiatives for petrochemical plant
- Delivered refinery and petrochemical automation projects (₹10 Cr+ scale)

CERTIFICATIONS

- Ilead – Leadership Development
- Agile Project Management – Google (Coursera)
- Six Sigma Green Belt
- ISO 9001 Internal Auditor
- GAMP 5 Compliance
- Multiple DCS/PLC Certifications (Honeywell, ABB)

TECHNOLOGY EXPOSURE

- SCADA: ABB, Movicon, Panorama
- PLC/DCS: Honeywell, ABB, Yokogawa, GE Fanuc
- Industrial IT: Servers, Storage, Networking, Cybersecurity basics
- IoT & Communication: OFC, Wireless P2P/P2MP
- Tools: MS Project, SAP, AutoCAD (review), Excel, Word & Power Point
