

SEELA KANAKA SAI VINAY MAHESH KUMAR

✉ sksvmahesh@gmail.com ☎ +91 9390410542 📍 Visakhapatnam, India

PROFILE

I am a B.tech student in Electrical and Electronics Engineering (EEE) at WSTM. I have basic knowledge of programming, electronics, and problem-solving. I am interested in learning new technologies and improving my technical skills through projects and practical work. I am looking for opportunities where I can gain experience, learn from real-world work, and grow my career.

EDUCATION

Bachelor of Technology - Electrical and Electronics, <i>Wellfare Institute of Science Technology and Management</i> 77.00%	2023 – 2026 Visakhapatnam
Diploma, <i>Wellfare Institute of Science Technology and Management</i> 75.00%	2019 – 2022 Visakhapatnam
Secondary School, <i>Bhashyam High School</i> 97.00 %	2018 – 2019 Visakhapatnam

SKILLS

Panel Board Work

- Basic knowledge of electrical panel boards
- Maintenance on Siemens Panel Boards
- Use of electrical tools, Understanding of circuit diagrams and panel layouts
- Knowledge of safety practices in electrical work

Software Skills

- MS Excel
- Basic programming in C / Python
- MATLAB / Simulink

Technical Skills

- Electrical Machine
- Basic Electrical Circuits, Power Systems
- Analog and Digital Electronics

Practical Skills

- Wiring and basic electrical connections
- Troubleshooting electrical circuits
- Soldering and hardware handling

PROJECTS

IoT-Based Food Grain Wastage Monitoring and Controlling System for a Warehouse,

An IoT-based system to monitor and control food grain wastage in warehouse environments

Developed an IoT-based system to monitor food grain storage using sensors. It tracks temperature and humidity and provides alerts to reduce wastage and improve storage efficiency.

Professional Experience

PLC & SCADA Internship

Completed a 240-hour internship on PLC and SCADA systems, learning basics of industrial automation and control systems.

Certificates

Industrial Electrician Training

Completed Industrial Electrician training under APSSDC, focusing on electrical wiring, panel work, and safety practices.

Certified Industrial Electrician

Andhra Pradesh State Skill Development Corporation / Skill AP

Project Expo (ELEXCENTRA)

ELXCENTRA 2026, Andhra University

Awards

4th Prize – PROTECT EXPO, ELXCENTRA 2026, Andhra University
