- New product pre-launch support test activity operations

EV Production Engineer, Pure Energy Pvt. Ltd

03/2021 – 08/2021

- Managed assembly and quality control of electrical and electronic components
- Implemented 5S practices to improve production efficiency and workplace organization
- Conducted defect analysis and implemented corrective actions
- Improved manufacturing processes to enhance productivity and reduce defects

Data Entry Operator, Aniraj Consultancy Services Pvt. Ltd

05/2017 – 09/2018

- Managed data entry, resume processing, and voice/non-voice support operations
- Application tracking , presentations

EDUCATION

Bachelor of Science (Electronics/Electrical Engineering),

2012 – 2016

Avanthi's St. Theresa Institute of Engineering & Technology, Vizianagaram

Vizianagaram

- GPA: 68.93%

Intermediate (High School), Narayana Junior College, Vizianagaram

2010 – 2012

- 61.1%

Vizianagaram

TECHNICAL SKILLS

EV Systems & Battery Technology

Root Cause Analysis (RCA) & CAPA

Software & Tools

- Power BI
- JIRA
- NetSuite
- MS Office

Battery Management Systems (BMS)

UART, CAN Tools

SOP Development & Process Improvement

Electronic Components & System Integration
